Over 35's Spider Pigs

The Spider Pigs started off as a team called Hounsell Accounting which is also when I took over managing the team. This was the continuation of a team that had previously played at multiple North Shore Clubs in various guises. A few of our players have been playing together since their high school 1st 11 days!

We started in Division 4 in 2009 and in 2010 we won the division and gained promotion to Division 3. Unfortunately, we lost several players for the 2011 season and were promptly relegated back to Division 4 for the 2012 season.

The next few years we continued on invariably finishing mid table.

In 2015, the team decided to make the move to the Over 35's when 90% of the team were eligible for the grade. Recruiting a few extra players gave us the numbers to field a team for the season. This is also when the team name changed to Spider Pigs after a team vote.

Our 2016 season started off rocky but we finished 3rd in the division. The following season we were promoted to O35's Division 3 and due to retirements etc, we merged with 5 players from the Gringoes side who unfortunately did not have enough numbers to field a team that year. 2017 was very tough for the team with only 1 win and 1 draw to show for the season and we were promptly relegated back to O35's Division 4.

2018 again saw us struggle to get numbers at the start of the season but by our 4th game we had managed to recruit a few new players to bring our squad up to a manageable 17 full time players. With the injection of new players to the team, our results began to steadily improve to the point we achieved a creditable finish of 3rd for the season.

The 2019 season has seen a mixed start of 3 wins, 1 draw and 2 losses. The bright side to this start is that our new striker Ed Marsell is competing hard for the golden boot with a tally of 7 as of 19th May.

The Spider Pigs have been and are a great team to play in and I am proud to have managed the side over the last several years. We play hard, play to win, but everyone is supportive of each other, even when we screw up 😊.

I would like to thank the club for their support in finding players for the team over the years which has allowed the Spider Pigs to continue to be a team.

Cheers, Phil
