## GG's established 2019

This team is a unique combination of different strengths and backgrounds that have come together to form a team of booze heads attempting to play football.

With a combined age of about 600+ (our midfield responsible for majority of that) we have drawn on our experience and beauty to hold out the younger teams in the league.

Run by two token Maori's (Sexy-legs & K-Lo), and their no-bullshit approach to leading our team. What they lack in organization they make up for in synchronicity with one another.

When the whistle blows the gloves come off and we play with no mercy. Not afraid to take shit from anyone, we will not back down from a call, and if needed we will unleash Macca the Rhino to spearhead through the opposition.

However, despite becoming known as the 'mongrel' team there are no Negative Nancy's on our squad!

We have had a great first half of the season, gelling as a team on and off the field. Our lack of history together hasn't held us back and every week

we continue to learn each other's strengths and weaknesses and use this to improve our game. We hope to continue on the rise for the second half of the season, and with each week become as in sync with each other as our fearless leaders.

We are dedicating our season to the late Allan Peeperkoorn. He is always in our thoughts and hearts. We will always be grateful for the work he has given to this club over the seasons, he has given so much of himself to the game and those that play it, so we play each game for him. Although, we will miss his ability to take command of our fiery responses to his calls. While we thought we could talk shit, he knew he could shut us down without breaking a sweat...and he did.

To Annie, just as you were the rum to his coke, the ying to his yang and the left to his right, you are the glue to this team, the spark to our firecracker. Each week you show us strength, determination and positivity greater than we could imagine. Our 16 hearts beat for you, and with you.

Cheers, Kitty

Ps. Claire apologizes for the ruckus caused at the comedy night
